

IP[y]:

Python Crash Course

Saturday, 23rd January, 2015

9 AM to 5 PM

Information for Registered Participants

An entry pass would be issued to all the registered participants. It contains information necessary to use our cloud services for doing hands-on exercises. You would need to get this entry pass scanned by our volunteers before the workshop begins in order to gain access to the lectures and hands-on exercises.

Please collect your entry pass from:

*Abhimanyu Chawla
CMS Computer Lab
First Floor
Department of Physics
Panjab University*

Entry passes would not be issued after 22nd January (Friday), 2PM.

Devices which would work with the hands-on exercises:

1. Laptops
2. Smart Phones
3. Tablets

A recent version of a web browser like Chrome or Firefox is the only thing required on your device. You won't need any other software.

Note: The workshop begins at 9AM on 23rd January 2016 (Saturday). We won't be able to provide power sockets for charging your devices, so make sure your device's battery is fully charged!
