Advertisement for the post of a JRF/Project Fellow

Applications are invited for the post of a JRF/Project Fellow to work in the Inter University Accelerator Centre (IUAC), New Delhi research project entitled "High spin structure and lifetime measurements using recoil distance Doppler shift method in mass region A~120 nuclei". The aim of the project is to study the high spin structure and measure the lifetimes of the excited states with high precision using the Recoil Distance Method (RDM) and DSAM. The plunger device, with Indian National Gamma Array (INGA) in coincidence mode, will be used at Pelletron accelerator IUAC, New Delhi. The extracted multi-pole transitions rates will be compared with different nuclear models to study the nuclear structure phenomena. Further in formations about the project can be obtained by e-mail from Dr. Ashok Kumar (ashok@pu.ac.in). The fellowship is for three years or co-terminus with project. The candidates who have interest in nuclear structure are encouraged to apply.

Fellowship: Project Fellow/JRF: (i) NET/GATE Qualified: Rs. 16,000/- p.m. for initial 2 years and Rs. 18,000/- p.m. for the third year.
(ii) Non-GATE/Non-NET – Rs. 14,000/- p.m. for initial 2 years and Rs. 16,000/- p.m. for third year

Qualification:

The person to be considered for appointment as JRF/Project Fellow must have second class master degree with a minimum of 55% marks for general category (50% in case of SC/ST/PH) or M.Phil in the subject concerned or a related subject. The candidate to be appointed as JRF/Project fellow should be below the age of 40 years at the time of appointment having either a valid GATE score/NET

How to apply: Apply on plain paper by post to the undersigned with bio-data (matriculation onwards) accompanied by attested copies of your Certificates Degrees. Kindly mention the above project title, your detail contact address, E-Mail. Cell No, Telephone No etc.

Last Date: 14-09-2018

Dr. Ashok Kumar
EmailAddress: ashok@pu.ac.in

The Chairman/Head
Deptt. of Physics

Note: Kindly circulate and display on the notice board in your Department.
